ROMAN RIVER MUSIC

We aim to challenge, inspire and surprise audiences with magical and unique experiences in unusual and unexpected venues in Colchester and coastal Essex. We commission new work and collaborations, nurture emerging talent and tempt internationally renowned musicians and performers to our corner of the world with the promise of appreciative audiences and the time and space to develop their skill and create new work among the salt marshes and wide open skies of coastal Essex.

The charity uniquely combines strong grassroots support from over 100 volunteers with a truly international quality programme.

SUMMER WEEKEND

Roman River Music's Summer Weekend concerts will celebrate the rich treasure trove of music by French composers from the golden age of the late nineteenth and early twentieth centuries. Iconic masterpieces have been carefully chosen by pianist Tom Poster, providing a framework for some exquisite rarities interwoven throughout this unique four-concert festival.

AUTUMN FESTIVAL

Roman River Music's Autumn Festival will run from 14 September to 1 October 2017. Full details of the Autumn Festival are due to be announced in May.
