
ROMAN RIVER MUSIC

Roman River Music becomes Arts Award Supporter

February 2017

Now approaching its eighteenth year, Colchester-based charity Roman River Music not only delivers a flagship Festival and numerous events across the Essex/Suffolk border, its integral learning and participation programme reaches over 1,000 children, young people, families and communities through a variety of carefully tailored education and outreach projects.

To demonstrate the organisation's commitment to helping children, young people and schools in particular, we are delighted to announce that Roman River Music is now registered as an Arts Award Supporter.

From Summer 2017, those taking part in our wide-ranging learning and participation projects will be able to contribute towards their Discover and Explore as well as Bronze, Silver and Gold awards, with activities including interactive workshops led by professional musicians and other performers or artists; meeting musicians and writing reviews; composing, singing and performing; volunteering.

Roman River Music's Learning and Participation Leader Laura Davison says of this latest offer *"This is an exciting development in Roman River's programme, adding real weight to our projects, embedding our work in the education network across Colchester and helping us inspire the next generation of music lovers"*.

Arts Award inspires young people to grow their arts and leadership talents. It is creative, valuable and, with an introductory award, five different levels and four qualifications, accessible to all.
